

Members Advantage Program

Does your
business insurance
earn dividends?
Our does.

\$7,270,628

That's how much York County Economic Alliance members who take advantage of the Members Advantage Program have earned in dividends. By purchasing their business insurance through Penn National Insurance, our program members tell us that often the dividend pays for their membership — and then some.

Program Features

- The Members Advantage Program has earned dividends 13 out of the past 15 years.
- Dividend is earned on all business lines (excluding Umbrella & bonds). The more coverages you have with Penn National Insurance, the greater your dividend potential.
- Dividends are based on the total of the group's premium and losses. Even if your business suffers a loss, you can still earn a dividend.
- As the program grows, so does dividend potential. Join today.
- Information and services to help reduce losses — the payoff is greater dividend potential.
- Plus, outstanding local claim and customer support service.

Subject to individual risk characteristics, loss experience and underwriting guidelines.

How It Works

Dividend earned is based on the total group premium and claims experience of eligible lines.

For example:	If group premium is:	\$8 Million
	and group loss ratio is:	16%
	Group dividend is:	23%
	If member premium is:	\$20,000
	Dividend earned will be:	\$4,600

Dividend payments are based upon program eligibility and are not guaranteed.
