

PEDYC Fiscal Sponsorship Application

As part of the York County Economic Development Plan implementation

Partnership for Economic Development of York County (PEDYC) Statement of Purpose:

To stimulate interest in and to assist in the promotion of any plan, which in the Board's judgment, shall inure the industrial and economic development of the County of York. To assist by any and all lawful means projects which will increase the flow of wages and income into the channels of trade and commerce within the County of York.

PEDYC, a 501C3 organization desiring to promote the York County Economic Development Plan as adopted by the York County Commissioners in 2009, will act as fiscal sponsor for projects that will advance the goals and objectives stated within the plan. Fiscal sponsorship enables Organizing Groups to raise funds as charitable contributions for approved projects. Organizing Groups with a project must complete this application and if approved enter into a contractual relationship with PEDYC. In particular, this agreement will provide that PEDYC has the unfettered right to terminate its relationship with the Organizing Group if funds are requested for purposes not consistent with the proposed project mission and to distribute the grant funds to another entity.

PEDYC acting as a fiscal sponsor for projects with like mission will charge no more than a 5% fee of total dollars received from private donation and 10% fee of total dollars received from grant sources requiring reporting.

Eligibility

- Project must be located in York County, PA for public benefit
- Project must help to fulfill a stated strategy within the York County Economic Development Plan
- Preference will be given to projects in geographic areas within the County not currently working with PEDYC
