Online Disclaimer: This website represents a good faith effort to compile and visually represent data on current broadband coverage throughout Pennsylvania. The coverage data used to create this map is obtained by the Pennsylvania Department of Community Economic Development (DCED) and its contractor Michael Baker Jr., Inc., on a semi-annual basis directly from broadband providers operating in the state, pursuant to the requirements of state Act 183 of 2004 and the federal State Broadband Data and Development (SBDD) Program. Persons using this website should understand that this map is a living document and, as such, may contain omissions, errors, or inaccuracies. This data is highly complex and dynamic and should be viewed in that light and used accordingly. Neither DCED nor Michael Baker Jr., Inc. makes any representations as to the absolute accuracy of any information obtained and/or presented. To determine and/or confirm actual broadband service coverage for a particular location, users should direct inquiries to the respective broadband service provider(s). Recognizing that the value of this mapping tool depends upon its accuracy, this website includes mechanism whereby users may comment on the reported broadband coverage or lack thereof. We welcome your constructive feedback!
