	in York County who are functionally illiterate. YCLC services are free and confidential.	The Next Step Program encourages and assists students in taking the "next step" on their career pathways. As YCLC Adult Reading students and English as a Second Language students are reaching their educational goals, the Next Step Coordinator provides individual assistance and referral services related to higher educational goals, employment opportunities and attaining citizenship. Next		
		Step also offers services to our former students and the YCLC Alumni Group.
